

OPENING (30 seconds)

Host 1:

Good morning to our respected Chief Guest, dignitaries on the dais, esteemed faculty members, and my dear friends.

On this proud occasion of Republic Day, we gather to celebrate the spirit of our Constitution and the values that define our great nation .

Host 2:

Republic Day reminds us that progress is built on knowledge, discipline, and innovation.

Today, we are proud to present the achievements of the Department of Information Technology, a department that reflects the vision of a self-reliant and digitally empowered India.

HOST 1 – ACADEMIC EXCELLENCE & CERTIFICATIONS (45 seconds)

Host 1:

Academic excellence is the foundation of national development.

Our department proudly celebrates 14 students securing 9 and above CGPA, with an outstanding highest CGPA of 9.67, reflecting dedication, consistency, and academic rigor.

Host 1:

In professional upskilling, our department has achieved remarkable milestones:

307 NPTEL certifications cleared by students

8 NPTEL certifications cleared by faculty members

Host 1:

Our students have also qualified in prestigious competitive exams:

GATE – 11 students

CAT – 1 student

XLR – 3 students

IELTS – 3 students

HOST 2 – FACULTY EXCELLENCE & RESEARCH (40 seconds)

Host 2:

Behind every successful student stands an inspiring teacher.

Host 2:

Our department is strengthened by:

3 PhD completed faculty members

9 PhD pursuing faculty members

Host 2:

In the year 2025 alone, our faculty have contributed:

25 research publications

30 patents, reflecting innovation and intellectual leadership

Host 2:

A special appreciation to Dr. D. Rosy, who secured the highest NPTEL score of 90, setting an academic benchmark.

Host 2:

Beyond research and teaching, our faculty also contribute to the global academic community.

We proudly highlight that our faculty members have served as judges for two international conferences, recognizing their expertise and global academic credibility.

HOST 1 – CODING CULTURE & PROFESSIONAL SKILLS (40 seconds)

Host 1:

In today's digital era, coding is the language of innovation.

Host 1:

Our students demonstrate exceptional problem-solving skills by:

Solving 1000+ problems on LeetCode

Securing 5-star, 4-star, and 3-star ratings on leading coding platforms

Host 1:

Many students are also professional members of IEEE, actively engaging with global technical communities.

HOST 2 – PLACEMENTS & INDUSTRY CONNECT (40 seconds)

Host 2:

Placements reflect industry trust and student readiness.

Host 2:

Our students have been placed in reputed organizations such as Microsoft, Autodesk, ServiceNow, ATST, and many other leading companies.

Host 2 (pause for applause):

We proudly highlight the highest placement package of ₹44 LPA, secured by Tharanikumar at AWS, a testament to global-level excellence.

HOST 1 – COMPETITIONS & HACKATHONS (40 seconds)

Host 1:

Innovation flourishes when ideas meet challenges.

Host 1:

Our students have actively participated in national and international competitions, including Smart India Hackathon, Aerothon, Microsoft Innovation Challenge, Makeathon, Bizence International Hackathon, IWD SheInnovates, ML Mania, and CITIL.

Host 1 (emphasis):

A proud highlight—our department has produced two Smart India Hackathon winners, showcasing the ability to solve real-world problems aligned with national priorities.

(Pause for applause)

HOST 2 – GLOBAL EXPOSURE & LANGUAGES (45 seconds)

Host 2:

Global exposure broadens perspectives and strengthens confidence.

Host 2:

Our students have demonstrated multilingual proficiency in Japanese, Mandarin, and German, with

JLPT cleared by 1 + 8 students.

Host 2:

International exposure includes foreign exchange programs by

Bhuvanesh, Akhil (with stipend), and Salaudeen (with stipend).

Host 2:

Additionally, Rajendran and Tharun secured Japan internships, reflecting our department's global academic reach.

HOST 1 – SPORTS & SPECIAL ACHIEVEMENTS (40 seconds)

Host 1:

True education nurtures both intellect and character.

Host 1:

Our students have brought pride through:

Champions of CCL

Rishi Adithya Award – Ashwin

NCC Scout Award – Devendran

Host 1 (proud tone):

A moment of great honor—N. E. Sitharth secured his name in the Lanka Book of World Records for a prestigious world record in Silambam, showcasing tradition on a global stage.

CLOSING (30 seconds)

Host 2:

On this Republic Day, we reaffirm our commitment to building a technologically empowered, innovative, and responsible India.

Host 1:

The Department of Information Technology stands tall as a symbol of knowledge, discipline, and national pride.

Both Hosts (together):

Happy Republic Day 🇮🇳

Jai Hind! Jai Bharat!
